

## **CANCELLATION NOTICE**

### **LF 290, Weekly Inspection Verification for Container Identification (Rev. Jan. 2003)**

**Cancelled effective 03-31-07.**

LF 290, Weekly Inspection Verification for Container Identification (Rev. Jan. 2003), was the tool used to document that container IDs are being checked weekly. Because LF 289, Container Identification Numbers (CIN) for Consumed/Transferred Items (Rev. Jan. 2003), which checks container IDs, are initiated and dated of time of inspection, LF 290 is not needed to follow this and is hereby cancelled.
